SCIENCE ROOM

Students have passed through the halls of these buildings for many years. The science room was moved to the high school building and five new Chemistry lockers of the latest type were installed. In addition to the lockers an instructors demonstration desk and a "hood" which is used to get rid of poisonous fumes was placed in the west end of the laboratory. New chemicals and glassware were purchased so that the thirty-four students who are enrolled are able to do all the experiments which are necessary for a well rounded course in Chemistry. The forty one Biology students make use of this equipment during the periods when the Chemistry students are in other classes. Both classes have two days of laboratory during every week.

"Lives of great men all remind us we can make our lives sublime.

And departing, leave behind us footprints on the sands of time."

The story of a school year is symbolic of life. Sands blow and shift - milestones are passed;  footprints are made and obliterated;  some succeed and some fail. But  time goes on, is spent, then runs out and is gone forever.

Children start school with high hopes, a full hour-glass of time.  Twelve years of school

come and go,  the hour glass is

empty.  Seniors graduate

leaving  their footprints

behind, hoping that they will

smooth the way for others

following.

HIGH SCHOOL BOYS' BASKETBALL

ROW 1: Allen Miller, Billy Lancaster, Dean Cornish, Dan Cornish, Lewis Helfenbein, Marshall Stark. ROW 2: Coach, Mr. Treece, Don Briggs, D. J. Good, Gerald Jaquith, Max Shuck, Bob Steinle, Phillip Lewis, Dale Briggs.

The Waynoka Railroaders concluded one of the greatest seasons in the basketball history of our school as they swept through the District and Regional tournaments to go to the state for the first time in eight years.

Many honors were won during the season as our team came through with First place in both the Northwest Conference and the North Canadian Conference. We were also proud of the fourth place trophy won in the tough class A tournament at Southwestern.

Leading the team in scoring was Max Shuck with 620 points. Dale Briggs counted 410, Lewis Helfenbein had 175, Bill Lancaster 167, Allen Miller 119, Don Briggs 52 and Phil Lewis 46.

Bill Lancaster was the elected Captain of the team and crowned Miss Norma Hannafious in the homecoming game with Mooreland.

High point of the season came when Waynoka was host to the Regional Tournament and won it with wins over Garber, Wakita and Laverne. The team scored 1610 points to our opponents 1190.

FUTURE FARMERS OF AMERICA

F.F.A. is designed to supplement the technical and practical training the boys receive in classroom instruction along with project activities carried on at the home farm under the instructor's supervision. It is a channel through which farm boys exhibit their projects and match their skills against other F.F.A. members. They learn to speak in public, assume public and civic responsibilities, buy and sell cooperatively, and to solve their own problems and finances.

The Waynoka F.F.A. Chapter has 48 members. At the present time this group owns an investment of over \$48,000 in livestock, land, crops, and equipment. Four Senior members are applying for the degree of Jr. Master Farmer. They must rank in the upper 2% of all Vocational Agriculture students in Oklahoma.

Activities participated in during 1957-58 include exhibition of livestock and judging teams at state fairs and

county and local shows. Leadership activities include speaking contests and conventions. Classroom study consists of livestock management, feed and care, crop production, and economics in Agriculture. In the shop boys have constructed over 100 pieces of equipment to be used in carrying on project work.

Jimmie Kragh, Gale Percival, Jr. Simmons, and Bob Payne. Dairy Judges 1957-58 -- 8th N. W. District, 15 & 17th in State contest.

Officers - Ray Sharp, Bob Payne, Rex Olson, Gary Hayter, Lynn Buckland, Jr. Simmons.

Livestock Judging team - Spring 1957 1st Alva 4th Enid, 16th Oklahoma City; Fall 1957 -- 1 jr. team, 2nd St. team Alva, 15th Tulsa state Fair.

Land and Range Judging - 1st land judging Alva; 2nd range judging Alva.

In August, the executive committee of our F.H.A. Chapter attended a district meeting in Enid to plan the F.H.A. Work for the year.

The Future Homemakers have a group of goals they try to reach. These include a family night program, planning and delivering food baskets, and participating in a clothing drive, and having speakers who have traveled and studied abroad.

The highlight of the year is our trip to Oklahoma City where the state F.H.A. Rally is held. There we attend a meeting consisting of talks by the Governor, a special speaker, and the installation of state officers.

The Eight Purposes of F.H.A. are:

1. To Promote a growing appreciation of the joys and satisfactions of homemaking.
2. To Emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in Home Economics.

Rex Olson, Allen Valentine, Dale Briggs, Linda Deal, Arlene Hinderliter, and Darlene Cue.

The Inter-Church Council is made up of representatives from the churches attended by our school population. Their projects throughout this year have been to have regular devotions each Monday and give special devotions during Advent and Pre-Easter seasons. Another activity is a junior and senior high religious census each year.

HONOR SOCIETY

As time moves on each person will contribute to some good thing. These students have contributed their time and work to earn a place in the Oklahoma Honor Society. None of these students have made lower than 3.87 average. One must be in the top 10% of the class to achieve this honor.
